Note

The Rector can change the dates of the examination periods, as put forward by the dean of a faculty and approved by the Student Government Faculty Council, provided that the whole curriculum of a given programme is fulfilled.

For a valid reason, the dean of a faculty can cancel some or all lectures and classes on other days.

The deans are responsible for ensuring that all the lectures and classes present in the curriculum take place. The e-learning methods and techniques may also be used to achieve that goal. The use of such methods and techniques is regulated by separate rules.

The period from September 16 to 30, 2015 is the time devoted to closing the 2014/2015 academic year and starting the 2015/2016 academic year.

The details concerning the organisation of the academic year for the part-time study programmes at a given faculty are subject to the dean's discretion in compliance with the plans and curricula of the programmes.

From 30 September 2014, the Rector's ordinance number 121 of 10 December 2012 about the 2013/2014 academic calendar is no longer in force.

The ordinance comes into effect on 1 October 2014.
